Cassie/Cassandra Erin Szer aka “infinite reality”, is an eclectic Australian experimental musician, lyricist, sound engineer, composer, graphic/visual artist and author.

She is the co-founder of the company Truth Field Projection PTY LTD, which provides services in music, security, and technology support.

She wrote her first book, "Jailbreak the Universe" in 2022 and is currently authoring the rest of the trilogy. The trilogy is connected directly to her music.

She has collaborated and continues to collaborate with other artists across various creative mediums.

COLLABORATIONS

infinitereality has collaborated with Michael Garza since they first argued over the complexity of the vocal bridge of "Exit Music" on her personal livestream.

Their main collaboration, "I Remember", was co-created, co-written, and co-produced via email and text messages across the world. It was released on September 11, 2019.

Since then, he has been a featured artist on many releases by infinitereality, providing background vocals, as well as being credited as a featured performer.
